

Basecamp24 is initiated by Science and Technology Park, Chiang Mai University (STeP), which aims to guide and support startups in every stage from idea to scale operation as the incubation program and facilities providers. Concept of Basecamp24 has compared the journey of business success to the pathway to conquer the mountain summit, dangerous yet challenge.

Basecamp24 composed of 5 camps that enhance the growth of every business at different stages.

- Camp 0 the Wanderer (Establish entrepreneurial mindset)
- Camp 1 the Bootstrapper (Idea development)
- Camp 2 the Explorer (Market Validation)
- Camp 3 the Challenger (Market Expansion)
- Camp 4 the Survivor (Scale up)

What's Basecamp24 Provides to our Campers (Startups)

- Mentoring
- Funding
- Networking
- Business Matching
- Working Spaces
- etc.
