

## REGURATORY INFORMATION

### Safety Instruction

Working temperature: 10-35°C

Low- or high-temperature conditions might cause your device to change its behavior to regulate its temperature.

- This product shall not be connected to power supply source exceeding 5V d.c. 1 A.
- Battery cannot be subjected to high or low extreme temperatures, low air pressure at high altitude during use, storage, or transportation.
- Replacement of a battery with an incorrect type that can result in an explosion or the leakage of flammable liquid or gas.
- Disposal of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery, that can result in an explosion.
- Leaving a battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas.
- A battery subjected to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas.

### EU (EUROPEAN UNION)

This product has been confirmed to comply with European Radio Equipment Directive (RED), 2014/53/EU

 The symbol on the product or its packaging signifies that this product has to be disposed separately from ordinary household wastes at its end of life. Please kindly be aware that this is your responsibility to dispose electronic equipment at recycling centers so as to help conserve natural resources. Each country in the European Union should have its collection centers for electrical and electronic equipment recycling. For information about your recycling drop off point, please contact your local electrical and electronic equipment waste management authority or the retailer where you bought the product.

## Federal Communications Commission

FCC ID: 2A69Q-ABXENY01

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- this device may not cause harmful interference, and
- this device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

### JAPAN

This product is JPL Approved.

# ENYWARE

ASTRIDE BIONIX

## IN THE BOX

## SPECS

### Dimensions

Height (cm)	47 - 57
Width (cm)	47 - 57
Depth (cm)	28 - 32
Inner Width (cm)	35 - 45
Armrest Height (cm)	20 - 29
Weight (kg)	3.5

### Materials

Structure	Aluminum & Nylon 66
Fabric Pads	EPS foam covered with sportswear fabric.
Armrest Pads	PU

### Mobile App

Compatible with	iOS 12 and above, Android 9 and above
Battery life	10 hr
